

The Flower of Life

"Recent offshoots of quantum and 'spiritual' physics are suggesting that the universe is conscious, sort of a quantum information field with awareness and that all the energy or data that have ever existed is stored in geometric forms within it... We are composed of these same forms and can exchange data with the universe because of it."

Cyndi Dale

"It contains every single mathematical formula, every law of physics, every harmony in music, every biological life form right down to your specific body. It contains every atom, every dimensional level, absolutely everything that's within waveform universes."

The Ancient Secret of the Flower of Life

“Six is a number perfect in itself, not because God created all things in six days; rather, the converse is true God created all things in six days because the number is perfect.”

Saint Augustine (The City of God)
